

CATHOLIC SCHOOLS

January 22, 2010

Dear Principal:

I would like to give you advance billing service information to be sent out by Parish Financial Services to all pastors and pastoral life coordinators regarding school assessments directly related to the Archdiocese of Seattle.

Last year you may recall that the Archdiocesan assessments were frozen. This year we are raising them 3%, which corresponds to prior years' assessments. However, the Washington State Catholic Conference's assessment will remain frozen for another year.

Catholic Schools Elementary Per Pupil Assessment	\$19.37
Catholic Schools Secondary Per Pupil Assessment	\$11.62
Washington State Catholic Conference Per Pupil Assessment	\$1.10
Principals' Association Dues per school	\$558.50
Western Catholic Education Association Accreditation Fees per school	\$240.00

Not included is the Washington Federation of Independent Schools assessment. This optional assessment does not come through the Catholic Schools Department office. You may wish to contact them directly regarding any assessment in which you would like to participate.

Blessings,

Most Rev. Joseph J. Tyson
Auxiliary Bishop/ Superintendent of Catholic Schools
