We invite you to join us for an evening of prayer and remembrance for those affected by the devastating Haiti earthquake on January 12, 2010. Honored guests, Mike and Mary Hightower, parents of Molly Hightower, will share updates on the progress being made in Haiti and through pictures and stories of their recent visit, will show how your support is continuing to help so many Haitian children and families!

Catholic Relief Services will also present the work they are doing to help those in need in Haiti.

Molly Hightower (pictured at right) of Port Orchard, WA, a Friends of the Orphans international volunteer, was tragically killed in the Haiti earthquake on January 12. A graduate of University of Portland, she assisted in the Nos Petit Freres et Soeurs physical therapy program and had begun her service in June 2009.

About **JustFAITH**: We endeavor to be active followers of Jesus by educating others and ourselves on issues of social justice relevant to our times, by advocating and working for systemic change for the poor and vulnerable, and by promoting our passion for justice. We will deepen our faith through prayer and acts of charity and support one another in our efforts

About **Friends of the Orphans**: We support the Nuestros Pequeños Hermanos/Nos Petit Freres et Soeurs (NPH/NPFS, Spanish and French for "Our Little Brothers and Sisters") network of homes in Latin America and the Caribbean. Together, we transform the lives of orphaned, abandoned and disadvantaged children by creating families for life through values of unconditional love, shared responsibility and education. This enables children to transcend poverty and grow into caring and productive members of their communities.
