Michael Gurian - Presenter

Keynote on The Minds of Boys

Michael is a New York Times bestseller author, educator, consultant, therapist and co-founder of the Gurian Institute. Michael Gurian calls for a critical shift in the attitude of society, educators and the media in order to nurture adolescent boys into loving, wise and responsible men. Michael Gurian shows parents and teachers how to help boys overcome their current classroom obstacles by helping to create the proper learning environment.

RSVP to Linda Thornton @ lindat@odea.org or 206-923-7533 by March 21, 2011
