This Is Your Summer

ELEMENTARY SCHOOL PROGRAMS

Camp Don Bosco

The natural setting of Don Bosco includes hiking trails, playing fields, swimming pool, archery range, craft shop, two chapels one traditional-building and one outdoor, challenge course, and more. If this is your first or fifth time at camp, our highly trained staff will help you feel right at home.

Spend two hours a day learning the basics of horse instruction: mounting and dismounting, walking, and trotting. Young riders will sharpen their skills in the arena, while older riders will explore the trails around camp. With our excellent staff to camper ratio, Trail Scouts is perfect for beginning or intermediate riders. *Boots with a ¾ - inch heel and smooth sole required.*

We will even pay a visit to Experience Music Project in Seattle to discover the secrets of some of the greatest musicians.

PRICING

CYO's goal has always been to provide an unparalleled experience and one where money is never a reason that a child cannot attend camp. In the past few years we used a three-tier pricing structure that enabled families to choose from subsidized fees if the full cost of camp would make the experience cost-prohibitive. This year, we are returning to a simplified fee structure. With one set fee, we are able to offer camp to everyone at what were tier-two prices while still covering all expenses. Financial Aid is available to offer assistance to families who could not otherwise afford to send a child to camp.

FINANCIAL AID

To support that commitment, CYO has established a Campership Fund to offer aid to families who could not otherwise afford to send a child to camp. All families are encouraged to apply if help is needed. Varying amounts of aid are offered depending on need. The maximum scholarship available is \$300 per camper. If requesting financial aid, be sure to complete that section on the registration form. A \$50 non-refundable deposit is required. CYO does accept donations to our campership fund.
