### Diplomas de Español como Lengua Extranjera: **DELE**

The DELEs issued by the Instituto Cervantes on behalf of Spain's Ministry of Education offer official and international accreditation of competence of the Spanish language. The examinations, available at six levels (CEFR levels: A1, A2, B1, B2, C1, C2), test the ability to read, speak and understand Spanish. The Diplomas are recognized by official institutions of Spanish-speaking countries and, increasingly, by corporations, chambers of commerce, and educational institutions all over the world. The DELEs constitute a great opportunity for Spanish students in US to obtain academic and professional recognition.
