To all members of NCEA,

As we approach the 10th anniversary of 9/11, I know that many of you will hold prayer services and liturgies to mark this day.

To help your planning, Katherine Schmitt, M.Div., NCEA Director of Religious Assessments, has prepared a prayer service to mark the 10th anniversary of 9/11. Two September 11th prayer services from earlier years are also available for your use. Please adapt any of these prayer services to meet the needs of your participants.

- [Prayer Service on the 6th Anniversary of September 11th](#)
- [Prayer Service on the 5th Anniversary of September 11th](#)

Also, allow me to take this opportunity to urge you to join NCEA and The Catholic University of America on Thursday, September 1 at 12:10 EDT when the Mass of the Holy Spirit is broadcast nationally on the CUA website ([www.cua.edu](http://www.cua.edu)). The EWTN website ([www.ewtn.org](http://www.ewtn.org)) is available as an alternative should you have difficulty accessing the Catholic University of America website.

The [Worship Aid](#) for Thursday's Mass of the Holy Spirit is available as a guide to utilize during the service. Cardinal Donald Wuerl's homily will include references to September 11th.

Thank you for joining us in prayer. And may the Lord bless you abundantly in the new academic year ahead.
