

Local Hazardous Waste
Management Program
In King County, Washington

CHEMICAL HYGIENE WORKSHOP

OCTOBER 26, 2011 — 12:30 PM TO 4:30 PM

Shoreline Conference Center, Ballinger Room

18560 1st Ave NE Shoreline WA 98155

Schools with science labs are **required** to have written chemical hygiene plans under OSHA's Laboratory Safety Standard

Have you completed yours?

Topics covered:

- Regulatory requirements
- Common violations and steps to compliance
- Roles and responsibilities
- Writing the plan
- Conducting the required trainings & audits

This entertaining and engaging workshop will provide tools to ease the process of implementation. Plenty of time will be set aside for questions and answers.

Clock hours are available upon request.

Please RSVP to dave.waddell@kingcounty.gov

Important Notes!

1. Teachers and administrators from schools located in King County will be given priority seating.
2. A second workshop will be offered in Redmond in December 2011. More info coming soon!
3. Contact dave.waddell@kingcounty.gov to discuss workshop options outside King County.
