

## Informal Art Teacher Gathering

Proposed Date: Saturday, Dec 3<sup>rd</sup>, 2011  
9am -Noon St. Anthony School

### Goal: Teacher Connections: Amazing Arts in Every Classroom

Come together with your fellow art educators in an effort to share, listen, and grow. Do you ever wish you could talk over some of your ideas and questions with other art teachers? The gathering will be an opportunity for professional development, professional networking and sharing art ideas and instructional strategies whether you've been teaching many years or you're a first year art teacher.

In conversations, Arts specialists can share ideas, projects, and strategies they can take back to their own classrooms as well as insights for implementing new ideas for amazing arts' curriculum. Come prepared to share or just soak up some great ideas. Please RSVP if coming to Tami Smith. Email: [smith@sasr.org](mailto:smith@sasr.org)

In closing, I would like to encourage all art teachers and/or art docents to participate, and I very much look forward to both sponsoring this gathering as well as meeting as many of you as I can.
