The USCCB Department of Justice, Peace and Human Development offers a variety of resources and activities to help young people live as Christ's disciples in their communities and around the world.

Ending Poverty in Community (EPIC)

Ending Poverty In Community (EPIC): A Toolkit for Young Advocates is designed for use by youth ministry leaders, Catholic high school teachers and religious educators. Six

Multi-Media Youth Contest

The contest is a creative way to help youth in grades 7-12 reflect on the call to discipleship. Online materials help teach about poverty in the U.S. and the Church's creative solutions. National monetary prizes of up to \$500 are awarded for two age categories, and winners' parish or school receives a gift certificate from contest sponsor RCL

Benziger. Visit www.usccb.org/youthcontest (English) or www.usccb.org/concurso-juvenil (Spanish) for rules and materials.
