

# CHRISM MASS 2013

## Distribution of Holy Oils

- Oils for each parish will be provided by the Liturgy Office, all in 12-ounce containers. For those with a greater requirement, you are welcome to take additional 12-ounce containers.
- Unused oils from the previous year **should be disposed of by the parishes** in accordance with procedures for disposition of sacred items (see the Liturgy Office website). Please handle the disposing of oils at the parish.
- Oils will be distributed in the Cathedral chapel following the Chrism Mass. **If the pastor/priest administrator is not present, he must delegate someone from his parish to pick up the oils.** *Parish delegates must check in with the distributing staff and PRESENT THE AUTHORIZATION FORM BELOW (signed by their pastor/priest administrator) to receive the parish's oils. PLEASE BRING THIS FORM TO THE CHRISM MASS - the parish delegate should present it at the oil distribution room.*
- Pastors/priest administrators are to notify their dean if they or a designated person from their parish is unable to pick up their oils at the Chrism Mass. Oils not picked up at the Chrism Mass will be taken by the dean (or his delegate) to the dean's parish. **Deans, please be prepared to wait for those containers not picked up by parishes in your deanery.** Thank you.

Questions? Call the Liturgy Office  
(206) 382-4878 or (800) 473-5657
