

# eLearning Showcase

## A Day for Discovering Solutions

Join us for a day-long event dedicated to sharing experiences and discovering new products that can help transform your classrooms. Several online learning products will be on display and district practitioners will be there to answer questions on their experiences with the products. With so many options now available, this event will help you in making informed decisions. Due to the generous sponsorship of our vendors, the registration fee is only \$15/person! Bring a team, so you can divide and conquer and see ALL the breakout sessions!
