

Webinar Series

Active Shooter Basics: Life Saving Concepts

by
Chris Dorn

School Safety Expert
Safe Havens International

April 30, 2013
1:00 PM - 2:00 PM EDT

Please Join Us for a Free Webinar

SafeSchools is pleased to present Chris Dorn, an international expert on school terrorism, weapon concealment and detection, and emergency preparedness in this free one-hour webinar.

Chris is an analyst with [Safe Havens International](#), a non-profit school safety center. He has served as a trainer for FEMA, the Bureau of Alcohol, Tobacco, and Firearms (ATF), and the U.S. Department of Homeland Security, and has consulted with school districts across the country. He will discuss:

Chris Dorn
Safe Havens
International

- ***Crisis Scenarios & Potential Deadly Gaps***
- ***Research-based Concepts that Can Save Lives, including:***
 - o ***Pattern Matching and Recognition***
 - o ***Permission to Live***

o *The First 30 Seconds of a Life or Death Incident*
