In celebration of Mother's Day, we would like to honor the thousands of remarkable mothers who have written to us requesting assistance for their children over the years. Their stories remain in our hearts because they exude remarkable commitment and faith. We are honored to have played a small part in the lives of their families through tuition assistance.

We are especially moved by the many single mothers working multiple jobs, trying to make ends meet. On Mother's Day we think of so many committed parents and how without the help of Fulcrum's generous supporters, they would not be able to send their children to Catholic school. Thank you helping make their dreams for their children come true.

Happy Mother's Day!
