

A New Vision for the Liturgical Ministries Institute: *Long-Distant Learning*

Would you like to help us take the Liturgical Ministries Institute into the future of technology? LMI is experimenting to add a distance opportunity for learning in liturgy. A webinar program for our offerings using the excellent Blackboard Collaborate program will allow you to take an LMI course with others in a nearby parish site or in your own home or office.

A free pilot experience for credit of one of our regular LMI courses, "**Celebrating the Mass**," in this new format will be offered over 2-two hour sessions:

Wed. May 29th and June 5th from 7:00pm – 9:00pm on both dates taught by Father Steve Sallis. This course is one of the foundational courses in the LMI. *The number of registrants is limited for this one-time free opportunity.*

In addition to taking this course in the comfort of your home or office, you also have the option to participate in these locations:

- Isaac Orr Conference Room; 910 Marion St; Seattle, 98104
