Please join us for our 2013
WFIS Soundoff! at one of six locations!

Share in a conversation about legislative advocacy with
Suzie Hanson and local private school leaders.

Why?

As an interest group-private schools-we have considerable
power in Olympia.

What Issues?

Independence, early learning regulations, accreditation,
graduation requirements, Common Core, testing, teacher
certification, safety standards and many others.

How?

Together we will discuss how we can best harness our
strength and secure our place in the political landscape.
