Background

Amici is italian for "friends." We are a young professionals group dedicated to supporting Catholic schools through fundraising, service projects, mentoring and networking. For the 2009-2010 school year, Amici partnered with St. Edward school to raise money to purchase a SMARTboard. Please help us achieve this goal by the end of June by supporting Amici with a donation.

Amici Service Day at St. Edward School

Amici members gathered on May 22nd for a service day at our partner school, St Ed's. Group members completely transformed the school garden with some much-needed landscaping. The garden is now a nice place to visit for prayer, reflection or just to enjoy the beautiful plants. Members also cleaned and prepared the multi-media room for the installation of a SMARTboard this summer.
