Archbishop's Awards

Presented each year by the Most Reverend Alex J. Brunett at the *Celebration of Light*, the Archbishop's Award recognizes outstanding benefactors to Catholic education.

2010 Archbishop's Award Recipients:

Steve and Jo Marie Hansen

For more than 30 years, the Hansens have been donating their time, talent and treasure to Catholic education. They were the first major donors to the new Seton Catholic High School in Vancouver, WA, as well as co-chairs of the school's Development Board. The Hansens truly believe in Catholic education and service to others. They have invested their lives into nurturing their family, living their faith by example, and doing God's work here on Earth.

Reverend Stephen C. Rowan

Father Rowan is a tireless and passionate supporter of Catholic education. In addition to serving as chair of the Fulcrum Foundation, Father Rowan was Vicar for Education and Superintendent of Catholic Schools, as well as Vicar General of the Archdiocese of Seattle. A past Dean at Seattle University, he is currently the Dean of the College of Arts and Sciences at the University of Portland.

Partners in Catholic Education

Partners in Catholic Education make it possible for every dollar given at the *Celebration of Light* to directly support the Fulcrum Foundation's mission of helping students and schools in need. We gratefully acknowledge their generous support of Catholic schools in our program and in publicity for the event.
