

## Your legislators need to know you are here today!

During this day dedicated to life, it is critically important that your two state representatives and your state senator hear from you about opposing the abortion insurance mandate bill (House Bill 2148). Today is a wonderful opportunity for you to visit your legislators' offices before or after the March for Life. Please ask them to oppose HB 2148. Legislators need to sense the extent and intensity of opposition to mandating abortion coverage in health insurance plans in our state. Your courteous message will make a difference.

---

**Find your legislators easily:**

**1 – Go to [leg.wa.gov](http://leg.wa.gov) OR**

**2 – Call the state legislative hotline 1-800-562-6000**

*You only need to know your address.*

---

Special volunteer guides wearing **orange vests** at the March for Life will help you find legislators' offices. Once there, be sure to leave your name and address, and your message that you strongly oppose HB 2148, the abortion insurance mandate bill.

*The stone that the builders rejected has become the cornerstone. (Luke 20:17)*
