

Statement of Interest in Serving the Gabriel Project

Date: _____

I, _____, a parishioner of _____ Parish, wish to be a volunteer for the Gabriel Project in the Archdiocese of Seattle and so extend in a special way the ministry of the Archbishop to pregnant women in need. To prepare me to decide on my level of involvement with the Gabriel Project, I commit to the following:

- Review the Gabriel Project materials provided by the Archdiocese;
- Discuss with my pastor the possibility of my parish participating in the Gabriel Project;
- Attend the Gabriel Project training, Sept. 11, 2010, at St. Stephen the Martyr, Renton; and
- Prayerfully discern whether I am being called to participate in this ministry.

Before beginning my service as a Gabriel Project volunteer, I will also need to:

- Successfully complete the requirements of the Safe Environment Program, including annual updates and the background checks required of volunteers with ongoing unsupervised contact with minors or vulnerable adults (need not be completed before Sept. 11 training);
- Commit to attend regular meetings for Gabriel Project volunteers; and
- Adhere to Gabriel Project standards with special attention to prayer, spiritual growth, and confidentiality.
