

Local Hazardous Waste Management Program in King County

Hazards on the Homefront **FREE Workshop for Grades 4-12 Teachers**

Saturday, March 8, 9:00 a.m. - noon
Renton Community Center

Do you want ready-to-use lessons that incorporate STEM topics with reading, writing, health, and responsible consumer choice activities?

Looking for fun hands-on activities that teach INQUIRY, APPLICATION, and SYSTEMS information to your students?

Attend the free teacher workshop to learn how to teach your students about household and garden hazardous products and safer choices -- real-life skills students will use for the rest of their lives.

This free workshop includes

- *Hazards on the Homefront* teacher guide.
- sample green cleaning products and recipes.
- \$50 stipend for incorporating two lessons or concepts from the workshop into your curriculum.
- information on free follow-up classroom presentations and mini-grants.

Earn clock hours through the Puget Sound Educational Service District
