June 25—26  
Seattle Pacific University  
9:00am—4:00pm

August 25—26  
Seattle Pacific University  
9:00am—4:00pm

## Questions?

Terri Ronyak  
(360) 725-6361  
terri.ronyak@k12.wa.us

## Focus:

### Effective Teaching Strategies to Implement Common Core State Standards

During the two-day sessions, participants will learn:

- Practical instructional strategies that can be used across the K-12 grade span with diverse learners.
- Strategies to support implementation of the Common Core State Standards (CCSS) and how to develop these practices in their own classroom.
- New tools for lesson planning using activities involving CCSS content analysis, modeling, group discussion, and video observations.

The workshop will be provided by **Duane Baker** from  
The BERC Group

Dr. Baker's spectrum of public school educational and program experience includes serving as a high school classroom teacher, high school assistant principal, middle school principal, executive director for curriculum and instruction, and assistant superintendent. He has served as an adjunct instructor in the School of Education at Seattle Pacific University since 1996, where his emphasis has been Educational Measurement and Evaluation and Classroom Assessment.

- Free to all private school educators employed by State Board approved private schools
- Free clock hours
- Free training materials
