

**CatholicHousingServices**  
OF WESTERN WASHINGTON

**The Archdiocesan Housing Authority is now  
Catholic Housing Services of Western Washington.**

Catholic Housing Services was founded as the Archdiocesan Housing Authority in 1979 with a mission to provide safe, decent, affordable housing to low-income and vulnerable people. Thirty years later our mission remains the same, but our new name better identifies our Catholic tradition and our commitment to providing supportive services for our residents. In addition, we work to end poverty and injustice by offering housing development assistance to community organizations who can further our outreach to underserved communities.

*Catholic Housing Services of Western Washington  
is a DBA of the Archdiocesan Housing Authority.*
