

Archdiocese of Seattle Liturgy Office  
Third Edition of the Roman Missal  
*Deanery Workshops – Fall 2010*

REGISTRATION  
Roman Missal Deanery Workshop

The program will provide the context on how the new translation was developed and why there is a need for a new translation. The participant will learn what's changed and what has not changed in the 3<sup>rd</sup> Edition. Ideas and tools for assisting the assembly to integrate the new texts into the parish's celebration will be provided. There will be an opportunity to experience new musical settings of the Mass texts and a plan for introducing the sung texts. Anyone that will have responsibility for assisting with introduction of the 3<sup>rd</sup> Edition – will be glad they participated!

Please check the site to register – *check the reverse side for specific deanery information*
