 Re: Open Enrollment Meetings

We have scheduled some Open Enrollment meetings around the diocese. These meetings will be specifically focused on Flexible Spending Accounts (FSA), Health Spending Accounts (HSA) and Dependent Care Flexible Spending Accounts and will be conducted by representatives from Flex-Plan Services, our vendor for these plans. They will cover in detail how the plans work and what the enrollment rules are for each plan. This will allow employees to get a better understanding of these plans, how they work together and how IRS rules effect plan choices.
