United States Conference of Catholic Bishops' 2015-2016 Respect Life Program

The Respect Life Program begins anew each year on Respect Life Sunday, the first Sunday in October. It is highlighted in liturgies, marked by special events, and continues throughout the year until the following October. Its purpose is to promote the sanctity and protection of each person's life, from conception to natural death.

To assist local implementation, the USCCB Secretariat of Pro-Life Activities develops new materials each year to help diocesan leaders, priests, parish groups and ministries, educators, and other organizations and individuals share the Gospel of Life.
