In his book, Deacon Larry, a nationally recognized expert in the field of autism, provides the insights needed to build an effective faith formation program for all children. By sharing stories of success and inspiration that affect everyone – pastor, parent, student, teenager, and catechist – he delivers the unexpected: that catechizing children with special needs actually nurtures the faith of the entire parish. By the end of this workshop, participants will have an effective guide to offer religious education programs across cognitive, physical and developmental levels. Resource materials from Loyola Press will also be available for participants.
