

Dear Principal,

Thank you for recording the number of students who were taught the VIRTUS *Touching Safety* curriculum this past fall.

We would like to remind you that the Touching Safety Program is a twofold series. This March, **your teachers are required** to teach the second lesson to their students.

Please distribute this list to all teachers who will be facilitating classes so that they understand which class they are required to teach.

The required lessons are as follows:

Kindergarten	Lesson 2: Understanding Safe Friends, Safe Adults, and Safe Touches
First Grade	Lesson 4: Telling Someone You Trust
Second Grade	Lesson 6: Grooming- Recognizing Risky Adult Behavior: Part II
Third Grade	Lesson 2: Understanding Safe Friends, Safe Adults, and Safe Touches
Fourth Grade	Lesson 4: Telling Someone You Trust
Fifth Grade	Lesson 6: Grooming- Recognizing Risky Adult Behavior: Part II
Sixth Grade	Lesson 2: Understanding Safe Friends, Safe Adults, and Safe Touches

Tenth Grade	Lesson 4: Telling Someone You Trust
Eleventh Grade (Optional)	Lesson 6: Grooming- Recognizing Risky Adult Behavior: Part II
Twelfth Grade (Optional)	Lesson 8: Creating and Following Family Rules

This is required in all grades kindergarten through 10th grade (11th and 12th grade are optional).

We have included instructions on how to record attendance within VIRTUS for compliance purposes.

Please contact our offices if you have further questions.
