

It's time! It's time!

The Math Games registration is officially open!

Gather your teams and sign them up – you won't want to miss this amazingly fun, math-filled adventure! The theme's a surprise, but if past years give hints, we've had bugs and guts and eyeballs galore!!! Rubies and feathers, hints and challenges, and t-shirts and pizza to top it all off!!!

All math levels welcome – there's enough wacky math for everyone!!!

What do you need to do to join us?

- Gather a team (or two or three...) of 8<sup>th</sup> graders (8<sup>th</sup> graders only, please!)
- 3-5 members makes a team
- more than one team is great! (limit 5 teams per school)
- price = FREE!
- register your team(s) using this easy registration link:  
<https://form.jotform.com/62506787804161>

What do you get?

- free t-shirt for each team member
- pizza snack
- school shout out recognition!
- FUN with MATH!!!!

AND:

One lucky school will get a \$100 gift certificate for its math department!!!!  
This could be you!!!!
