Great News for Walk-Throughs

We have great news regarding walk-throughs! As you know, our work with Teachscape ended when the company was recently sold. As a result, we will engage with [Observer Tab](#) this year with the hope of continuing to track and review teacher behaviors through walk-throughs. The table below summarizes Observer Tab features. **Price per school per year: \$395**

Features Similar to Teachscape	Additional Features
<ul style="list-style-type: none">• On-line tracking of effective teaching criteria• Accessibility on a variety of devices, including laptops, iPads, and phones• Individual teacher and school trend reports	<ul style="list-style-type: none">• Differentiated observation tools based on teacher experience level and content area• Rubrics which clearly define each criteria, allowing observers to calibrate/norm their observations (this is an added plus)• Easy to read reports accessed on-line by both the principal and teachers• Option to add additional tools targeted towards special area teachers• 24-48 hour window for administrator and teacher account creation and setup• Teacher goal setting feature
