

## The Math Games results are in!

Skeletons, skulls, and ruby red blood drops were just the beginning for this wild day of math! Feathers were flying as mathematicians faced bouncing zombie eyeballs, the house of Frankendoggy, spiders and mice, and relay race graphing!

The Math Games mania has spread through the Archdiocese, with almost 200 8<sup>th</sup> graders from 24 different schools (representing 8 of the 9 regions) joining the fun!!! It was a collection of math brainpower that nearly blew the roof off of the Seattle Prep gym! The following schools were simply math amazing:

Assumption-St. Bridget School	Holy Family School - Kirkland
Holy Rosary - West Seattle	Our Lady of Fatima
Queen of Angels	Our Lady of the Lake
Sacred Heart School	Holy Family Lacey
Seattle Nativity School	St. Anne School
Forest Ridge	St. Bernadette School
St. John School	St. Louise School
St. Alphonsus	St. Luke School
Our Lady of Guadalupe	St. Mark School
St. Mary Magdalen	St. Nicholas School
St. Joseph Seattle	St. Michael Snohomish
Christ the King	St. Anthony
